# WELCOME

**Just imagine...** diving into an outdoor pool or scrambling up a mountain stream, bouncing on a giant inflatable or wrestling in a sumo suit, pony trekking through beautiful countryside or abseiling down a rock face. Just imagine... taking in a stunning mountain top view or canoeing down a clear river, playing your favourite sport or visiting Alton Towers. Just imagine how much fun it would be. There's no need to just imagine – because these are all activities you can do on our fun-packed holidays!

Maybe you enjoy outdoor adventures or a good bit of sport, or perhaps you love making things or just relaxing with friends. Whatever it is, you're sure to find a camp that suits you.

You'll also find that camp is the perfect place to make new friends. The leaders are great fun too – there'll be times you laugh so hard you'll cry!

Young Life Holidays are also a great time to explore the Christian faith and find out what the Bible really says. Each camp has time set apart for doing just this, and everyone is encouraged to think things through for themselves.

We offer outstanding camps in four unique locations. Knock is an adventure camp in the picturesque Lake District, Brecon is a sports and activities camp with excellent facilities, Misterton is an activity camp under canvas in the Nottinghamshire countryside, and Holiday Ireland is an adventure camp in beautiful Ireland.

**And for parents...** you can relax, knowing that the young people are taken care of in a relaxed and friendly atmosphere. We have a high ratio of staff to campers, all leaders go through checks for the purpose of safeguarding and all activities are supervised by qualified instructors.

So don't just imagine...

### **What does the price include?**

The price includes full board and accommodation, activities, tuition, equipment and excursions unless otherwise stated. The holidays are based at outdoor centres and boarding schools. The costs of the holiday are kept to a minimum as the staff pay too.

### **What about travel?**

The cost of travel to the holiday venue is not included in the fee. Parents and guardians are responsible for the travel arrangements to and from the holiday venue. Some local groups may arrange transport to the holiday venue. If so, a responsible adult will be in attendance. Those who travel independently on public transport can be met at the coach or railway station nearest to the holiday venue.

### **What about safety?**

All the holidays are run by experienced adult staff. There is a high ratio of staff to young people. Safety is taken seriously on the holidays. All outdoor pursuit activities are carried out under qualified supervision. The supervision may be by our own leaders, or leaders hired from a centre and accompanied by our own staff as well. All recommended safety equipment is always worn: buoyancy aids for water activities and helmets for climbing, cycling or karting. Young Life Holidays (YLH) has a Safeguarding Policy and all leaders and team members are subject to this. Details can be obtained from the office.

### **Kit list**

Please pay close attention to the kit list sent to you by the holiday leaders. Outdoor holidays are especially dependent on having the appropriate clothing and footwear. To enjoy your holiday to the full it is essential that you bring all the items listed. We suggest that high value electrical items (such as smartphones and tablets) are left at home.

### **What about insurance?**

YLH is fully covered for public liability. If you wish to take out cover against personal accident, cancellation, illness and loss of personal items, we suggest a policy from FREETIME ([www.freetime-travel-insurance.com](http://www.freetime-travel-insurance.com)). YLH cannot accept liability for any claim made resulting in the loss of or damage to personal property.

### **Privacy Policy**

By completing this form, you give consent for us to keep and process your information in line with our Privacy Policy. (See [younglife.org.uk/about-yl](http://younglife.org.uk/about-yl))

### **Personal conduct**

There is a no smoking and no alcohol policy. We do not allow possession or use of any substances classified illegal by HM Government.

### **How do I book?**

To book a place on a Young Life Holiday please send a completed application form together with the relevant deposit to the office; we will confirm within 21 days of receipt.

### **What if I cancel?**

The office should be informed immediately. If you cancel 8 weeks or less before the holiday commences you will be liable for the full fee. The initial deposit is non-refundable. If YLH cancel the holiday we will refund all fees already paid. If it is curtailed YLH will refund the fees for the portion of the holiday that is cut. If a child is sent home due to illness, behaviour or discipline problems we cannot guarantee to refund fees.

### **Any comments?**

We welcome your comments in order to continue to improve our service to you. If there is a problem with the holiday please contact us immediately and we will do our utmost to find a satisfactory solution. We would also welcome your positive feedback about the holidays.

### **Terms and conditions**

We expect everyone who goes on the holiday to be fully involved in every aspect of the programme, including teaching sessions and daily duties, e.g. washing up on some holidays. YLH reserves the right to refuse any applications and to alter or cancel a holiday where necessary.

There will be no access for the opposite sex in the gender-designated sleeping areas.

In the interests of safety, good communication and the avoidance of nuisance, the use of any personal audio equipment and phones will not be permitted on some camps.

Staff and group leaders have access to phones in the case of emergency.

### **Additional forms**

Prior to your child going on a holiday, you will be sent additional forms to complete. These will include medical and consent forms for activities and photos.
